Dear Branch 111 Officer,

In light of the Governor's recommendation that people over 60 avoid group assemblies of over 20 people, and with the intent to prevent inadvertent exposure to the Corona Virus, we are cancelling Union Meeting that was scheduled tonight (3-12-20) at 6:30 PM. Please call your Branch 111 members who normally attend the meeting and let them know of the cancellation. Also, if you are able to do so, please post this information on your facebook or other social media pages.

Thank you for your help with this,

-Michael Wahlquist  
President  
Branch 111, NALC
